HEAD COACH

FRAN BROWN

Fran Brown was hired as Syracuse's 31st head coach on November 28, 2023, and in one year instilled a culture of success that's paid immediate dividends for the Syracuse football program.

Brown delivered a 10-win season in his first year at the helm, tying Paul Pasqualoni (1991) for the most victories by a coach in their first season at Syracuse. The 10 wins tied the third-most victories in a season in program history and represented just the third double-digit win campaign for Syracuse since the beginning of this century.

Buoyed by the culture of D.A.R.T. (Detailed. Accountable. Relentless. Tough.), Brown's Orange won three games against top-25 opponents — Syracuse's most since 1998. They tallied nine wins over bowl teams, finished the season ranked in every poll for the first time since 2018 and boasted a 7-2 mark in one-score games. 'Cuse capped the season with a win over Washington State in the DIRECTV Holiday Bowl, the program's third-straight bowl appearance.

Syracuse had 12 players earn All-ACC honors, its most since joining the conference, despite the league now having the most teams in conference history at 17. That included including First Team All-ACC selection Oronde Gadsden II, who also earned AP All-America honors.

The Orange's passing attack led the nation and set numerous records in Brown's first season. It was led by standout quarterback Kyle McCord, who became the first Syracuse player to finish in the Heisman Trophy top-10 voting since 2001. McCord set program records for passing yards (4,779), completions (391), passing attempts (592), passing touchdowns (34), yards per game (367.6) and total offense (4,714).

'Cuse had four players with 60-plus receptions — the only school in the nation to do so — and had five players with over 500 yards receiving. Trebor Pena (84), Jackson Meeks (78), Oronde Gadsden II (73) and LeQuint Allen Jr. (64) all finished in the top-11 of single-season receptions at Syracuse.

Allen also had over 1,000 yards on the ground, making him the first running back in school history to amass over 1,000 rushing yards and 500 receiving yards in the same season. Allen set new program records for receptions (64) and receiving yards (521) by a running back. He was one of two running backs nationally with over 1,000 rushing and 500 receiving yards on the season.

Allen's 1,021 rushing yards and Jackson Meeks' 1,021 receiving yards marked the first time since 2012 that 'Cuse had a 1,000-plus yard rusher and receiver.

In addition to Allen's records by a running back, Gadsden broke his own record for receptions by a tight end (73) on the season.

The 2024 Orange offense set over 20 individual or team single-season or career records.

Defensively, 10 different Syracuse players recorded an interception, depth and breadth are a hallmark of Fran Brown's experience in the secondary and his development of defensive backs.

In one season, Brown placed more 'Cuse players in the NFL ranks than Syracuse had seen in nearly two decades. Gadsden (Chargers), McCord (Eagles), Allen (Jaguars) and Fadil Diggs (Saints) were all selected in the 2025 NFL Draft, the most Syracuse players since 2006. Seven other players — Jackson Meeks (Lions), Justin Barron (Cowboys), Alijah Clark (Cowboys), Savion Washington (Chargers), Marlowe Wax (Chargers), Max Mang (Colts), Clarence Lewis (Titans) — signed free agent contracts and Tom Callahan (Raiders) earned a camp invite, bringing the total to 12.

As the nation's top recruiter, a member of the 2022 College Football National Championship coaching staff and a New Jersey native, Brown immediately invigorated Syracuse recruiting. The 2024 and 2025 recruiting classes — Brown's very first — were its two highest-ranked since the advent of national recruiting services. His first transfer portal class ranked No. 9 nationally, another program best.

A proven winner, Brown's teams are 37-4 over his last three seasons coaching, including his first as a head coach and previous two as an assistant.

Brown came to Syracuse from Georgia, where he had joined the staff as defensive backs coach in early 2022. The Bulldogs were 27-1 in his time there and he helped lead the team to an undefeated season in 2022, including capturing the SEC Championship and the College Football National Championship. Brown's secondary was a crucial cog in the Georgia defense that finished the season ranked among the national leaders in rushing defense, scoring defense, red zone defense and total defense. The defense was also honored with two first team All-Americans and boasted finalists for the Butkus

Award, the Rotary Lombardi Award, the Bronko Nagurski Trophy and the Shaun Alexander Freshman of the Year Award.

According to 247Sports, Brown was the No. 1 recruiter in the nation for the 2024 recruiting class and played a critical role in attracting top talent to Georgia. This designation follows his recruitment of two five-star prospects, both of whom were ranked No. 1 at their respective positions.

Brown's extensive resume also includes stops at Rutgers (2020-21), Temple (2011-16, 2019), Baylor (2017-18) and Paul VI High School (2010).

Prior to joining the Georgia staff, Brown was defensive backs coach at Rutgers for two seasons. In his first year with the program, his secondary helped create 19 turnovers in 2020, 10 more than the previous season and the most since 2012 for the Scarlet Knights.

Before Rutgers, Brown was co-defensive coordinator and cornerbacks coach at Temple. While there, the defensive unit was nationally ranked in red zone defense, sacks, defensive touchdowns, tackles-for-loss and fumbles recovered. At Temple, Brown recruited or coached five players who went on to play in the NFL, including three draft picks: Harrison Hand (fifth round, Minnesota Vikings), Shaun Bradley (sixth round, Philadelphia Eagles) and Chapelle Russell (seventh round, Tampa Bay).

Brown has also recruited and worked with players who went on to the NFL, including Sean Chandler, P.J. Walker, Hasson Reddick, Jullian Taylor, Sharif Finch, Jacob Martin and Raquell Armstead.

At Baylor, Brown served as assistant head coach and defensive backs coach. While in Waco, he helped turn the program around from a 1-11 season in 2017 to a 7-6 mark the following year, which culminated in a Texas Bowl victory.

A former student-athlete, Brown played football at Western Carolina University, where he was named a captain and earned First Team All-SoCon selection at cornerback for the Catamounts. He went on to play two seasons in the NFL with the Cincinnati Bengals.

Brown grew up in Camden, New Jersey, and began his collegiate career at Hudson Valley Community College before transfering to Western Carolina.

Brown and his wife, Teara, have two sons, Fran Jr. and Brayden, and a daughter, Ivy Ann.

STUDENT-ATHLETE ACADEMIC DEVELOPMENT

The Stevenson Educational Center, located in John A. Lally Athletics Complex, is home to the Syracuse Student-Athlete Academic Development staff. The center features a computer lab, tutor rooms, career development suite and meeting rooms for both day and evening study-table sessions.

The educational center team is involved in additional activities designed to enhance academic performance. Orientation programs for incoming student-athletes are held at the beginning of the first semester to aid in the transition from high school to college. Career-planning programs assist those who are undecided on their major course of study. As student-athletes approach the end of their college careers, programs coordinated by the academic development staff help them enter the work force or explore opportunities for graduate school.

One of those programs is the "S Project," which is designed to provide student-athletes with proactive and continuing education. Through the program, student-athletes develop the skills necessary to excel in the classroom, maximize their athletic ability and prepare for post-collegiate success. The curriculum is centered on four areas — career readiness, financial education, healthy relationships, and wellness and personal development.

Staff members focus on the enhancement of academic performance through the development of study and communication skills, goal-setting, stress and time management, and individual tutoring and mentoring. Academic performance is monitored to ensure NCAA, Atlantic Coast Conference and Syracuse University eligibility rules are met and that progress is being made toward graduation.

FIRST-CLASS FACILITIES

The Syracuse football program opened a state-of-the-art Football Performance Center at the John A. Lally Athletic Complex in the spring of 2025. Combined with the expansive renovations at the JMA Wireless Dome and construction of the Ensley Athletic Center, these facilities serve as symbols of Syracuse University's commitment to providing an exceptional student-athlete experience. Led by John Lally's lead gift and numerous contributions from Legends Society Donors, the new Football Performance Center features every amenity needed to support performance, training and rehabilitation for football student-athletes. Named in honor of three-sport letterwinner Cliff Ensley, the 87,000-square foot Ensley Athletic Center offers a full-sized, indoor, FieldTurf practice field identical to the JMA Wireless Dome.

BOWL HISTORY

Senior quarterback **KYLE McCORD** led the Orange to its 52-25 victory over the Washington State Cougars in the 2024 Holiday Bowl.

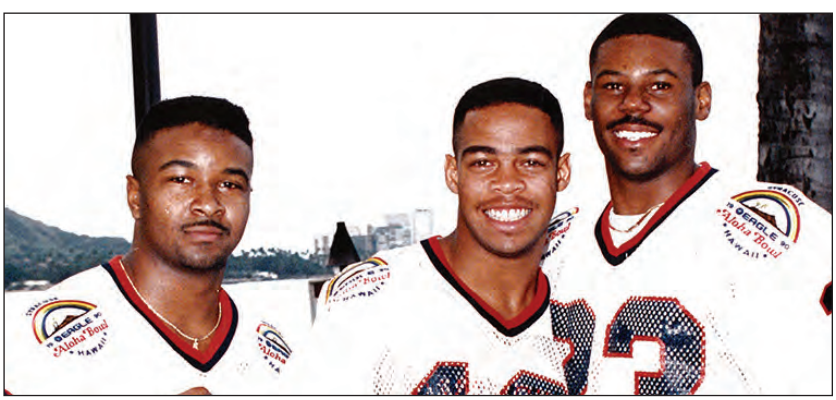
Syracuse is 17-11-1 in its 29 bowl appearances and has won 14 of its last 19 postseason games, including the 2024 DirecTV Holiday Bowl. From 1989-96, the Orange won seven consecutive bowl games, the seventh-longest streak in the history of college football. Syracuse has played in 19 different bowl games. The program's .603 winning percentage ranks ninth all-time among schools with at least 20 bowl appearances.

NEW YEAR'S SIX

In its illustrious history, Syracuse has earned invitations to all six games that make up the College Football Playoff: the Rose, Sugar, Orange, Fiesta, Peach and Cotton Bowls.

The Orange celebrated winning the 2012 Pinstripe Bowl.

Quarterback **TERREL HUNT** was MVP of the 2013 Texas Bowl.



Island smiles were plentiful for the Orange both before and after the 1990 Aloha Bowl in Hawaii, where Syracuse beat Arizona 28-0.

ALL-AMERICANS

During Syracuse's 130-year football history, more than 100 Orange players have been named All-Americans. Bill Horr became the program's first in 1907 when the legendary Walter Camp selected Horr to his "Second Eleven." Running back Sean Tucker is the Orange's most recent honoree, earning 2021 All-America accolades from four of the five consensus teams and first team honors from the FWAA. The most recent unanimous All-American was Andre Szmyt in 2018, who would go on to win the Lou Groza Award as the nation's best kicker.

THE LOUD HOUSE

THE JMA WIRELESS DOME IS ONE OF THE MOST UNIQUE VENUES IN ALL OF SPORTS, HOSTING SYRACUSE'S FOOTBALL, BASKETBALL AND LACROSSE PROGRAMS.

In 2020, the University announced a $118 million investment in the facility to create a new stadium experience. The first phase of renovations completed in 2021 include a new fixed roof, center-hung scoreboard, improved lighting and sound. In June of 2022, Syracuse-based JMA Wireless entered a 10-year naming rights agreement for the building. JMA Wireless will also support the Dome's digital infrastructure transformation by establishing the most advanced connectivity offerings for Orange fans and other users while at the facility.

1959 CHAMPIONS

Unbeaten and untied, the 1959 Orange capped an 11-0 season with a 23-14 victory against Texas in the Cotton Bowl. Syracuse dominated its foes both offensively and defensively under the direction of consensus National Coach of the Year Ben Schwartzwalder.

The defense allowed a mind-boggling 193 yards rushing in 10 regular-season games. Running back Ernie Davis led an Orange offense that averaged 451 yards per game. Guard Roger Davis, who was selected seventh overall by the Chicago Bears in the 1960 NFL Draft, end Fred Mautino, halfback Gerhard Schwedes and tackle Bob Yates earned All-America honors.
